

Shri Guru Gobind Singhji Institute of Engineering and Technology

Vishnupuri, Nanded (Maharashtra State) INDIA PIN 431606

Government Aided Autonomous Institute DTE Code: 2020

NAAC Accredited institute GRADE B++, CGPA 2.91 (2020-2025)

Vision Statement: Education of Human Power for Technological Excellence

BRIDGE BUILDING

Task for Competition : To build a bridge by using given sticks.

Rules and Regulations

- A team will be of **FOUR** participants.
- Participants will have fixed limited time for construction i.e. 2 hours.
- Participants can prepare a design beforehand, but no pre-assembling parts are allowed.
- Participants may use only basic tools, no power tools are allowed.
- Once build, the bridge will be tested by placing incremental weight on it until the structure collapse. The last weight the bridge can hold will be the performance score.
- The decision made by our co-ordinator will be final and cannot be appealed.
- Student must carry a valid college ID card.
