

Shri Guru Gobind Singhji Institute of Engineering and Technology

Vishnupuri, Nanded (Maharashtra State) INDIA PIN 431606

Government Aided Autonomous Institute DTE Code: 2020

NAAC Accredited institute GRADE B++, CGPA 2.91 (2020-2025)

Vision Statement: Education of Human Power for Technological Excellence

VOLTAGE VOYAGE

Description:

Voltage Voyage is an event where participants solve electrical engineering challenges, including circuit design & power systems.

Participants: 2 – 4 members

1. Correct answers will earn the team 1 point, while wrong answers will result in 0 points.
2. The event consists of 3 stages, with each stage offering different challenges.
3. Teams with the highest scores at the end of each stage will progress to the next stage.
4. Teams with the lowest scores at the end of each stage will be disqualified.
